

Instructions for Online Oral Presentations (Pre-recorded Video Submission)

All participants presenting online are required to submit a pre-recorded video presentation and attend the live online session for the discussion. Please carefully follow the guidelines below to ensure a smooth and professional presentation experience.

Deadline for video submission: 20 August 2026

1. Presentation Duration

- Each presentation must be a pre-recorded video of 10 minutes (Presenter should be visible in the recording).
- Strict adherence to the 10-minute time limit is required. Videos exceeding the allocated time may be edited or rejected.
- Following the technical session (not just after the presentation), presenters must be present online to participate in the live Question & Answer (Q&A) session.

2. Presentation Content

- Include: Title, Introduction and background; Objectives of the study; Methodology; Key results; Conclusions and implications.
- Emphasize the novelty, significance, and academic value of your research.

3. Video Format and Submission

- Format: MP4
- Aspect Ratio: 16:9 (Widescreen)
- Recommended Resolution: Minimum 720p (HD)
- Maximum File Size: (500 MB)
- File Name Format: **Abstract ID_Presenter Name_Title.mp4**
- Upload your video to a cloud storage and send us the access link to isae2026oral.virtual@gmail.com on or before **20 August 2026**.
- Subject of the email should be : **Video submission Abstract ID_Presenter Name**
- Late submissions may not be included in the conference programme.

4. Technical Quality

- Record in a quiet, well-lit environment.

- Ensure clear audio throughout the presentation.
- Use screen-recording software such as Microsoft PowerPoint Recorder, Zoom, OBS Studio, or equivalent.
- Speak clearly and confidently.
- Avoid reading directly from the slides.
- Use clear visuals and smooth slide transitions.

5. Live Q&A Session

- All presenters are required to attend the live online session.
- A 5-minute Q&A session will be conducted after all presentations in the technical session have been played.
- Be prepared to answer questions from the Session Chair and participants.
- Participate professionally and respectfully throughout the discussion.

6. Professional Conduct

- Dress in professional or business attire.
- Maintain eye contact with the camera whenever possible.
- Use a clean and distraction-free background.
- Ensure your presentation reflects professional standards.

7. Attendance Requirements

- Join the meeting before the beginning of your technical session.
- Rename your display name using the format: **Abstract ID_Presenter Name**.
- Keep your camera switched on during the session.
- Remain online for the entire technical session in which your presentation is scheduled.
- Actively participate in the discussion and interact with other presenters and participants.

Important Reminder

Submission of the pre-recorded presentation does not replace attendance. All online presenters must attend the live session to participate in the Q&A discussion. Failure to attend the live session may affect the inclusion of the presentation in the conference proceedings or
